

MRS. MELTON AND MRS. DABNEY'S TIGER TRIBUNE

Volume: 7

Issue: 26

Date: March 10-14, 2014

ELA

We will spend a lot of our time this week preparing for next week's PASS writing test. We will practice responding to prompts and editing questions. This test will be next Tuesday and Wednesday. Please remember to ask your child daily if they have any writing homework. They will only have it if I need them to finish something up for the next day's lesson.

Spelling: List #6
Test Friday!

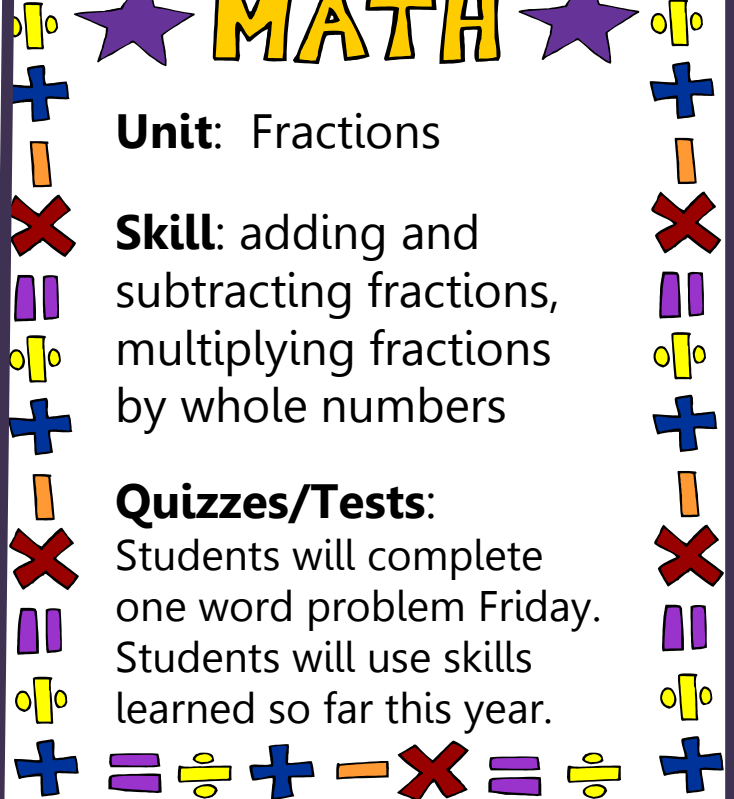

★ MATH ★

Unit: Fractions

Skill: adding and subtracting fractions, multiplying fractions by whole numbers

Quizzes/Tests:

Students will complete one word problem Friday. Students will use skills learned so far this year.

Unit: Life Science

Skill: Biomes—students will continue researching the biome of their choice and will then use information gained to write the scripts for their movie maker projects.

Test/Quiz: no quiz this week!

Super Science #24 Due
NEXT Thursday!

SOCIAL STUDIES

Unit: Westward Expansion

Topics: Thomas Jefferson, Daniel Boone, and Lewis and Clark's Expedition

Quiz: No quiz this week!

STAR STUDENTS

of the Week

 Development Day
 (no school for students)

"You miss 100%
 of the shots you
 don't take."
 —Wayne Gretzky

Math/Science Homework:

Monday-Thursday:
 Students will be practicing a variety of skills this week by participating in stations. Whichever skills they practice each day will be their homework each night.

Students will need to listen closely in class to make sure they are completing the correct problems for HW.

New App to check out!

Check out the new School Connect App (available for Android and Apple phones). This awesome app allows you to receive push notifications as well as access the parent portal. **AND IT'S FREE!**

If you have any questions or concerns, please feel free to contact us at (864) 338-7738 or by email at:
